

New Life Christian School

“Equipped to Stand” Ephesians 6:13

Hosea 6:3

“Let us know; let us press on to know the Lord; his going out is sure as the dawn; he will come to us as the showers, as the spring rains that water the earth.”

February Student of the Month

Elaina Phinney
1st-4th

Elaina is always thinking of others. She is helpful, kind, and works hard in all her subjects. She is a good listener and always wants to pray for the needs of others.

Gracie Hubner
5th-12th

Gracie obeys quickly and quietly. She's working hard in her studies and is growing in treating others with respect. She is stepping out and really taking ownership in band class and practicing outside of class time. She is a good friend.

This Month:

- April 1st End of 3rd Quarter
- April 3rd Good Friday Chapel
12:00 Dismissal
- April 6-10th Easter Break
NO SCHOOL

Redwood Christian
Fellowship 8:20-11:30
1st-8th Grades
Dismissed Afterwards
- April 25th H.S. Spring Banquet @
3:00 @ the Fisher's

Potato Dinner/Auction

Thank you, thank you, and thank you again for all your help! The school earned close to \$6,000 for that one event. The meat box was won by Brenda King of Fortuna. She took several items and donated the remainder to Wood Street Chapel's community food ministry. So many were blessed.

Scrip!

In our survey many of you responded that you would use scrip but often forgot. Do you have any ideas for making using scrip easier? One suggestion was to have an order form included with your monthly statement. It would probably take a few days to prepare, but the order could be picked up at the office. Payment would need to accompany the order. Standing, monthly orders could also be made. Scrip is such an easy fundraiser with the potential of great return.

Achievement Testing

April 15-23

Students in third through eleventh grades will be taking achievement tests from April 15th through April 23rd. Please make sure your child has had a healthy breakfast and is at school on time in the morning. Make every effort to not miss any school during these dates. We want them to do their best!

SPEECH MEET APRIL 24TH

On April 24th, the first through eighth grade students will be participating in their annual speech meet at Redwood Christian Fellowship at 750 13th Street, Fortuna. Please drop your child off at 8:20 on the 24th. Parents are encouraged to attend and students will be dismissed for the day when the meet is done at approximately 11:30 a.m. If the early dismissal is a hardship, please let the office know and we will make arrangements for transportation for your child back to school with supervision until 3:00.

BAKE SALE!

The High School Spanish class would love your support at their bake sale on April 17th, at Murrish Market in Hydesville. Also, if you would like to bake any goodies to help them out, please let Tara Johnson know!

OPEN HOUSE - MAY 12th

May 12th is our Open House at 7 PM. This is a fun event when student activities from the year are highlighted. If you have friends who might be considering NLCS for the Fall, this time can be helpful in the decision making process. Feel free to invite them to join us.

Uniforms Optional Starting Next Year!

Thanks to your responses to our recent school survey, the school board voted to waive the requirements for wearing uniforms in grades one through four beginning next school year. All students will need to meet the general school dress code, which will be looked at again for possible updates. If you would like to serve on a dress code committee, please contact the school office by April 20th.

Oh, Taste and See!

Do you have friends who may be considering Christian education for their children? New Life Christian School has limited openings in grades 1st through 8th. We are offering 50% off tuition for new students for the last months of this school year! There is no registration fee and 75% off the materials fee. There is also a referral reward of \$50 off your tuition bill if the new student mentions that they were referred by you! Contact the school office for more information at (707) 725-9136.

Introducing: Mrs. Rose!

We welcome our newest member of our ministry team for the 2015-16 school year, Cindy Rose. Cindy has lived in Humboldt all her life. She is married and has 3 grown children, Molly, Callie and Levi, and has one grand daughter, Nati. She lives in Rio Dell and attends Rio Dell Baptist Church. She loves reading, gardening, camping, finding new uses for old "stuff," and collecting Snapple lids! It has always been her dream to teach school and feels this appointment is an answer to prayer.

Preschool & Kindergarten

Jesse and Kade matching letters

Using watercolors to paint the egg shaped background of a cross

Artwork for Easter by the three year old students

The three year old class

Hailey and her grandpa brought young chicks for "Show and Tell"

Scotlynnne and Chaya's mom read several Dr. Seuss books to us on his birthday! She also brought chenille glasses and cat whiskers for each of the children

Antek and Olesh are playing a "roll the die and stamp the shamrock"

1st & 2nd

Working on the Logging Conference mural

St. Patrick's Day art

Quiet reading time

Students making the Mayflower in history class

3rd & 4th

Saylor Brooks
If I were President,
I would make good laws.
I would talk about God.
I would travel different
places. I would create new
stuff like new candy,
and all different kinds of
stuff.

The 3rd/4th have been working on cursive and creative writing! We had fun creating written narratives about "If I were President..." and then illustrating the background with our ideas! There were lots of great, fun ideas including new ideas for laws and caring for our country. It's fun to see each student think about what they would do. We wrote a rough draft, edited it, and then rewrote our final drafts in cursive. We're continuing to practice putting all their creative thoughts onto paper and learning to express themselves through writing.

5th & 6th

This has been a busy, eventful few weeks. The class made a poster for the logging conference and took second place winning a \$100 prize. Maybe you were able to see the poster when it was displayed at the Potato/Dessert Auction. The Logging

Conference was a great learning experience for the whole class. After a yummy side trip to Ultimate Yogurt, several of our students went with Mrs. G to the County Science Fair to view the excellent exhibits and to pick up our entries. Those qualifying to go were Jenna Lewis, Keenan Qunital, Gracie Hubner, and Arianna Williams. Two students took 5th place awards. They are Arianna Williams, 5th grade, and Ty Rose, 4th grade. Good Job, you two!

Jr. High

We are busy! Members of our 8th grade are seriously planning for graduation. Christopher and Kurt perfected their entries for the next level of Science Fair, and the three basketball players who are part of our team have enjoyed games on Fridays.

One craft project (thank you Valerie Holmes) is almost finished. The cement planters are looking good and ready to be used.

Mr. Jones began another project - rug-making - a few days ago. We welcome a new 7th grade student, Ethan Mock. He lives in Ferndale.

High School

When the high school Biology class isn't dissecting fetal pigs or learning the latest in Algebra 2, Calculus or Spanish, many have been enjoying playing basketball in the Coast League on

Friday mornings. Coached by Colton Fields, the team has been playing for several months and just ended the 2015 league with an all day tournament on March 27th.

The Spanish class just had a car wash on March 28th for their Spain trip and they are getting ready for a bake sale on April 18th at Murrish Market in Hydesville.

High School students are looking forward to their Spring Banquet on April 25th that will be held at the Fisher's home.

SPIRITUAL EMPHASIS WEEK

Students love this time every year when emphasis is placed on a specific, spiritual theme. Students were divided into their student council led teams and given their "Mission Possible" assignments. "Hands to Serve; Hearts to Love" was this year's theme. Lucas Patton and Bob Hapgood shared at our two special assemblies after our student worship team led us in an awesome time of worship. Every afternoon had a fun activity that highlighted the theme from a different angle. Students wrote notes of encouragement and did random acts of kindness. Scriptures that underscored our call to serve others were highlighted. All in all it was a spectacular week!
