

New Life Christian School

“Equipped to Stand” Ephesians 6:13

Romans 15:13

“May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit.”

April Student of the Month

Taylor Brooks- 1st-4th

Taylor is always kind and patient to her classmates. She works quietly on her assigned work and does her very best in everything she does.

Kayla Natt- 5th-12th

Kayla is responsible, a peacemaker, a good student, and desires to do well on her school work. She is a leader who takes charge when needed, as seen when she stepped up to lead the worship team during Mrs. Natt’s absence.

This Month:

- June 4th Last Day of Preschool & Kindergarten Promotions at 11 A.M.
- June 4th-6th 5th/6th Grade Camping Trip
- June 5th End of the 4th Quarter

- June 9th 8th Grade Graduation 7 P.M. @ Calvary Chapel **12:00 Dismissal**
- June 10th Last Day of School
Awards Assembly
1st-11th Grades @ 8:30 A.M.
Family BBQ Lunch After Awards
(Students released to go home after awards)
- June 17th-20th 7th/8th Grade Trip
- June 28th- July 4th Fireworks Booth

Box Tops!

Over the summer, please continue to collect Box Tops as each one is worth ten cents! Also, if you go to www.boxtops4education and sign up, we earn money for that as well! You will find a list of products that have box tops on them at this website. Be sure to continue to save Campbell Soup Labels. If you would like product listings for this, go to www.labelsforeducation.com. My Coke Rewards is another easy way to earn money for our school by going to www.mycokerewards.com and signing up! With every coke product cap you can enter the code from inside and then DONATE it to our school!!! Every little bit adds up to a lot!

Color-Thon a Great Success!

With funny faces and hair covered with dusts of color we enjoyed a yummy BBQ as we celebrated completing our first Color Thon. We were joined in the event by Fortuna Junior Academy.

Amazingly, we raised over \$4,000 for the school. Thank you to all who helped make this such a wonderful event.

Teacher's Wish List

Most people don't know, but our teachers purchase many of the items needed for their classrooms. Over the summer, please keep an eye out for items on the "teachers wish list." It would be greatly appreciated! Some items are big and some are small, but every little bit will help with this next school year and will be very appreciated! Please contact Ahna Hubner at (707) 845-3715 if you have any questions or you would like to drop off any donated items for the teachers.

Kitchen Timers	Hand Sanitizer	Notebook Paper	Art Paper	Stencils	Magnifying Glasses

Yarn					Bubble Blowing Machine
Popsicle Sticks					Laptop (for student use)
Toothpicks					Folding Tables/Chairs
Graph Paper					8 Ft. Christmas Tree

National Day of Prayer

On this Year's National Day of Prayer the students in grades 1 through 12 attended a chapel dedicated to prayer for our nation.

After a time of worship and a short message, students broke into small groups, each led by an older student where they prayed for specific needs.

Kade gave an exciting demonstration of his sword skills for Show and Tell. The wooden sword was his father's when he was a boy!

The three year old class

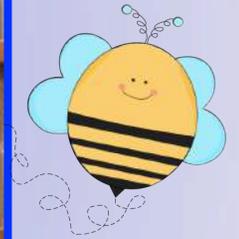

Many of the Pre-Kindergarteners are turning five and looking forward to Kindergarten! Happy birthday Scotlyn!

Preschool & Kindergarten

Playing outdoor games on a beautiful spring day.

Antek has been making complex structures with magnetic balls and posts! He loves math and engineering!

Kylee, Nina & Kaylyn

Chaya, Kylee, & Nina enjoying birthday cupcakes

1st & 2nd

Making volcanoes

Madeline Holmes spoke to our class about horses. She did an amazing job and the kids had many great questions.

Shay's mom came to help us celebrate Shay's birthday. We decorated cupcakes in ice cream cones. The kids had a blast! Thanks Cindy!

Students are dancing and singing along with one of our favorite books, Pete the Cat and His Four Groovy Buttons.

Fin's dinosaur habitat

Alex brought in two chicks for share day.

3rd & 4th

The third and fourth grade students have been having fun playing four-square during P.E. and recess.

5th & 6th

After seeing Arcata Christian School's presentation of the Chronicles of Narnia, our class was able to go to the Humboldt State Marine Lab in Trinidad for a guided tour. We were able to be there during feeding time. It was a wonderful adventure!

Each student has his/her own drawing tablet and there are assignments from Mrs. G and also the opportunity for "Free Drawing." We leave for our annual trip on June 4 for a fun-filled three days of swimming, fishing, and camping at Ruth Lake with Mr. and Mrs. Godinho.

On a different note, we are saying good bye as Mrs. Godinho retires after 12 years of faithful service. She has brought so many good things and added a dimension to our school that will really be missed.

Mr. and Mrs. Godinho plan on serving the Lord in some way on the mission field probably in Mexico as this has been a dream for many years.

Savanah teaching

In the Junior High, the focus is definitely on the future! Highlights under discussion include the class trip, plans for the summer and beyond, and graduation (June 9).

Some students are working on completing the last craft project, a square handmade rug.

Jr. High

The worship team is busy practicing for graduation as well as for continuing chapel services. Our school has an amazing music program and we have discovered that we are unusual in that worship is totally student-led. We get to watch a lot of talent and dedication developing into true worship. What an incredible opportunity for our students!

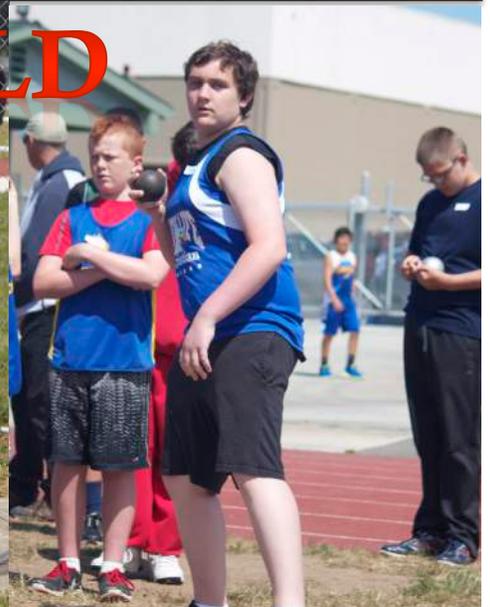

High School

Even though the high school students have been studying diligently for many tests, the worship team had the opportunity to minister at Centerpointe Community Church in Eureka on May 3rd. They have plans to go to several other churches this summer! The team and class will greatly miss Katie Fisher as she graduates and heads off to college in Utah next fall. She has added so much personality and leadership over the years and we wish her nothing but the best in her next endeavor.

TRACK & FIELD

Thank you Coach Quintal for giving your time and excellent coaching skills to our track and field team this year! We are so thankful for you!
